**Lentils:**
**https://youtu.be/thjD7aU9ZV4?si=wiPywmRO93D3fFBR**
A straightforward lentil preparation that works well for learning how to cook lentils before adding them to bowls, soups, or other recipes.

**Quinoa:**
**https://youtu.be/Atf64xBnWT8?si=1u0JNmveUYc7Jnhy**
This one is especially good because it shows **rinsing, water-to-quinoa ratio, stovetop cooking, avoiding mushy quinoa, and storage**.

1. **Blueberry Chia Overnight Oats**
   Harvard Nutrition Source — Chia seeds, fiber, calcium, protein, and ALA omega-3 fats.
   Harvard Nutrition Source — Chia Seeds

Harvard Nutrition Source — Oats, fiber, whole grains, and nutrient content.
Harvard Nutrition Source — Oats

NIH — Pregnancy nutrient requirements, including calcium and omega-3 fatty acids.
NIH — Pregnancy Nutrition

2. **Chickpea Quinoa Power Bowl**
